

Ghosts
among the
Wildflowers

(Chapter 25: talk it out)

A close-up photograph of a purple iris flower. The flower is in full bloom, showing its characteristic three large petals and three smaller ones. The petals have a rich purple color with some darker veining. The green leaves are long and sword-shaped, some showing signs of aging or damage. The background is dark and out of focus, making the flower stand out. The text "Have patience." is written in a white, cursive font across the middle of the image.

Have patience.
